

Award

The Natura Award has an award €90,000. The entire prize must be invested in the project. The amount may be divided among different projects.

Submissions

The projects must be submitted by the 30th of September 2018 via the online form at www.premionatura.es. Any projects received on the 1st of October will not participate in the contest. Before submitting a project, we recommend going to the website and checking the evaluation criteria. The projects submitted must be written in Spanish. No one related to the Natura company may participate in the contest.

Categories

The Natura Award has two categories: Environmental and Social. Each project submitted must clearly specify in which category it is being submitted. If the project encompasses both aspects, the entity should submit it to the category which it believes best matches its objectives. The same project may not be submitted to both categories.

Requirements

- Only organisations which fall within the system provided for in Title II of Law 49/2002 dated the 23rd of December 2002 (“Tax system for non-profit entities and tax incentives for patronage”) may submit projects. This requirement shall be proven by the candidate by including a scanned copy of the relevant certificate with the submitted project. Failure to include this certificate or an equivalent document will nullify the candidacy.
- Each organisation may submit a single project.
- The projects submitted must be completed by the 31st of December 2019. No projects lasting more than 12 months will be accepted.

Finalists and winners

The projects that are determined to be finalists pledge to provide Natura with a one-minute video explaining the project they have submitted. The winning projects pledge to provide the materials and information requested by Natura so it can track the projects.

Decision

The decision on the winners will be made by the 30th of November 2018, and the chosen entity(ies) will be personally notified. The award will be given one week after notification of the decision. Entities that have participated in the call for proposals but have not won will receive an email notification. The result will be publicised in the Natura stores during the months of December 2018 and January 2019.

Jury

The jury is comprised of Natura members advised by professional in evaluating projects involving the defence of nature, development cooperation and humanitarian aid.
